[XXIVth YEAR.] THE [No. 1242.]

MARYLAND GAZETTE.

THURSDAY, JUNE 29, 1769.

LONDON, *April* 15.

THEY advise from Leghorn, that a large Dutch Transport, bound to Corsica with Ammunition and Stores for the Use of Gen. Paoli, has been taken by a French Frigate, the Commander of which unloaded the Cargo, dismissed the Ship, and gave the Dutch Captain Bills upon Paris to the whole Amount.

Letters from Paris now speak of the Treaty, offensive and defensive, said to have been concluded between their Court and those of Vienna, Madrid, and Berlin, as a Report that stands in Need of as much Confirmation as that of the English Ministry having offered to restore Canada to France.

April 18. The Four City Members were *all* of one Opinion on a late Occasion.

Yesterday Morning the Freeholders of Middlesex met at the Mile-End Assembly-Room, according to the Advertisement for that Purpose. The Room was as full as it could be crowded, and it is computed to hold about 2500. All the Avenues to the House were thronged, and above 5000 People were assembled in the Road before it. At 12, John Sawbridge, Esq; Member for Keith in Kent, was called to the Chair, and declared the Intention of the Meeting. James Townsend, Esq; Member for Westlone in Cornwall, in a very elegant and animated Speech, deplored the Necessity of seeking out some new Remedy for a new Grievance: A Grievance, which, 'til this Period, no King, no Minister, no Enemy, no Power on Earth ever laid upon this Kingdom, since it received the Name of England.

With the greatest Force and Conviction from Law, History, and the natural Rights of Mankind, he asserted the Privilege of Representation to the People. He declared himself ready to run every Risque and to undergo every Suffering to preserve this invaluable Blessing to his Countrymen, and that he would never tamely submit to offer up his Liberty at the Shrine of any Minister or earthly Potentate or Power. He concluded with a Wish, that some Freeholders would propose a Plan that might serve to confirm to us the Rights (if there are any) that still remain unviolated, and to recover those which have been violently and unjustly taken from us, especially that important leading Right on which all others depend—the Right of Election.

The Revd. Mr. Horne then made a Motion, That a Committee of *Grievances* and *Apprehensions* be appointed to take the same into Consideration, particularly the present alarming Attack made on the Right of Election, and at the next general Meeting to propose the proper constitutional Measures to be taken for Redress.

He supported his Motion by many strong and convincing Arguments, and it was carried *Nem. Con.* The Chairman in putting the Question declaring his entire Approbation of it.

James Adair, Esq; George Bellas, Esq; and many others, spoke in support of the following Motions, which were likewise carried *Nem. Con.*

II. That the Committee consist of 100 Freeholders.

III. That Walpole Eyre, Esq; be Chairman of the said Committee.

IV. That George Bellas, Esq; be Deputy-Chairman.

V. That the future Meeting of the Committee of the County, be called by Advertisement in the public Papers signed by the Chairman, or Deputy-Chairman.

A Gentleman well versed in the Changes of the Weather says, that, in all Probability, the ensuing will be a *very hot* Summer, and that great Numbers will be carried off.

A certain spirited Gentleman, we are told, Yesterday at Mile-End, declared, that he was determined, on his Part, (and hoped that it was the Intention of the whole Company) to exert himself in making decent and proper Remonstrances against the oppressive Measures, as he termed them, that had been lately practised; but that if such Applications had not Effect, he was determined, he said, to oppose them, if he died his black Coat red.

The H. of C. have agreed to the Amendments made to the Bill for an Agreement with the East-India Company.

The H. of C. which was very full Yesterday continued sitting very late, and met again this Day.

Yesterday the House had under their Consideration, the return of the Writ for the County of Middlesex, and adhered to their former Resolution finding Mr. Wilkes incapable of being Chosen a Member of that House; a Motion was made to delay the further Consideration of this Affair 'til Monday, but on a Division 207 to 115, it was carried to proceed To-morrow.

April. 20. Yesterday in the Afternoon Col. Luttrell took the Oaths, and his Seat in the House of Commons as Knight of the Shire for the County of Middlesex.

It is said that Lord Irnham (an Irish Lord, and Father of Lieut. Col. Luttrell, the *new made* Member for Middlesex) will be created an English Peer; and that his Son will be appointed Colonel of the First vacant Regiment, a Promotion that will not vacate his Seat in Parliament.

The favourite Toast of the Day is, "May the Freeholders of this Kingdom hold their Tenures as long as their Lives, and transmit them unimpaired to their latest Posterity!"

The Militia of this Kingdom was made perpetual on the 12th Current. It is remarkable the M—st—y were all for it.

An incendiary Letter, it is said, was Yesterday sent to a Right Honourable Person in a high Station, enumerating many Encroachments pretended to have been made on the Liberties of the Subject for these Three or Four Years past, and advising more Circumspection for the Future, or in all probability another G——l R——n would happen.

About 7000 Troops are now laying in Disguise, like Mr. Bayes's, in the Environs of London: All the Difference is, that the Inn-Keepers were his Friends; it is imagined the present Landlords are not so to the above Troops.

It is now said with certainty, that a Naval Promotion will take Place in July next, when the following Number of Officers of each Rank will be made, viz. Six Admirals, Twelve Post Captains, Twelve Masters and Commanders, and Eighteen Lieutenants.

We hear that a Lady of great Consequence lost the Sum of 25,000l. a few Nights ago at the Game of Hazard.

April 25. The Appointment of a Bishop in America, is, we hear, settled; the Person, as yet, unknown; the Residence, Albany.

We hear that a considerable Pension will be settled on a certain Governor in America, as a Reward for his faithful Services.

A Gentleman near Cavendish-Square whose Name is Gilbert, has invented a Carriage, it is said, which has a Power to run at the Rate of Twenty Miles or upwards in an Hour, for a Constancy, without Horses, on a different Construction to any hitherto known, and will go with equal Swiftness backward or forward with Ease, and stop at Command. A heavy Carriage, built on this Principal, will carry an unlimited Number of Tons Weight, without any Labour to keep it going, and may be of the same Utility by Water.

We hear from Quebec, that the Canadian Inhabitants have lately shewn a very discontented Spirit, which is said to have arisen from the Influence of the Jesuits, a great Number of whom are now in that Part of the World.

April 26. The Petition intended to be presented, it is said, is likely to meet with a warm Reception, as the Friends to Ad——n have industriously propagated a Report that they are all prepared come when they will.

The following Bill was stuck up on Sunday Morning last, on one of the Pillars of the Portico of St. Martins Church in the Fields. The Prayers of this Congregation are earnestly desired to implore the Divine Mercy to send us Peace and Safety through these Realms, to confound the Measures of the weak and the wicked Ministers, to shorten their Days of Power and to turn the Hearts of an obstinate ——.

April 27. Last Week as Colonel Henry Lawes Luttrell was riding in Hyde-Park, he was suddenly surrounded by a flying Party of the Mobility, in Number about 40 or 50 Persons; but having the Presence of Mind to throw among them a Handful or Two of Silver, and clapping Spurs to his Horse, had the good Fortune, for this one Time, to escape the Vengeance of an enraged and implacable Populace.

April 28. It is reported that the Reason of Mr. Wilkes not having publicly addressed the Freeholders since his being declared (the last Time) incapable of sitting during this Parliament, is, that the Freeholders having resolved to enquire into, and legally assert their own Rights, it was no longer his Cause, but theirs.

We hear that his Majesty will go to the House of Peers on Tuesday next, and put an End to this Session of Parliament by a most gracious Speech from the Throne.

Bets in the City were Yesterday Seven to Three, that Mr. Wilkes would receive a Pardon before the Expiration of next Week.

Just as this Paper was going to Press, we received the following Account of the Mile-End Meeting from the Committee.

At a Meeting of the Freeholders of Middlesex Yesterday, at the Mile-End Assembly-Room, James Adair, Esq; in the Chair, a Petition was proposed from the Committee of Grievances and Apprehensions, and read by George Bellas, Esq; Deputy Chairman of the Committee, it was received with universal Applause, and agreed to, without one dissenting Voice. John Sawbridge and James Townsend, Esqrs. were the only Gentlemen who spoke to it. Several short Hand Writers were observed in the Room, on which Mr. Townsend declared, that he was neither ashamed nor afraid of speaking the Truth in any Place, but thought it improper that this Petition should be given to the Public before it had been presented to his Majesty, and therefore desired that no Person would write it down; He made an Apology for Mr. Glynn's Absence, owing to the Gout; but informed them, that Mr. Glynn had been present at the Committee, and had expressed at the same Time, his Approbation of the Petition, and his Willingness to convey it to his Majesty, if the Freeholders should think proper to honour him with their Commands for that Purpose. The Thanks of the Meeting were given to Walpole Eyre, Esq; Chairman, and George Bellas, Esq; Deputy Chairman of the Committee; to John Sawbridge, and James Townsend, Esqrs. for the Part they had taken in this Business, and to Mr. Horne, for his great Trouble, Care, and Judgment, in drawing up, and preparing the Petition, and to the rest of the Committee.——It was then resolved, that John Glynn, Esq; Walpole Eyre, Esq; George Bellas, Esq; James Adair, Esq; John Sawbridge, Esq; James Townsend, Esq; the Rev. Dr. Wilson, George Prescot, Esq; Arnold Wallinger, Esq; and Francis Ayscough, Esq; be desired to wait upon his Majesty, with the said Petition. Mr. Townsend desired that it might be understood, that no other Freeholder should attend the delivering of this Petition, because it might give a Pretence to Administration, to play their old Game, and misrepresent to his Majesty, an Act of their innocent Curiosity, as Tumult, Insurrection, and open Rebellion. The Petition was signed by upwards of Five Hundred Freeholders; many others finding it difficult to get to the Table, reserved themselves to another Opportunity of signing it.

Yesterday, upwards of Thirty Gentlemen of the Livery, waited on the Right Honourable the Lord Mayor, with a Paper signed by them, signifying that they apprehended the Liberties of the Freeholders of the County of Middlesex have been violated by a Rejection of their Member to Parliament, who has been repeatedly and legally chosen by a great Majority; and also mentioning other Grivances they sustain and apprehend: Therefore they request his Lordship would be pleased to issue out his Precept for a Common-Hall, that they may take the Sense of the Livery of London on these Matters, and to consider what Measures are necessary to be pursued under the present Circumstances of public Affairs. His Lordship received them very politely, and expressed a very great Respect for the Livery; but requested, that as this was a Matter of very great Importance, that they would allow him a short Time to consider of an Answer, in which he would consult those Persons who may be called the Guardians of this City.

Saturday is the Day, on which the Time limitted for presenting any Petition against the Election of Colonel Luttrell for Middlesex will expire.

Yesterday it was currently reported in Town, that a Manifesto was arrived from the King of Prussia, insisting upon a very large Sum of Money being immediately paid him by this Government, for Arrears due upon the Conclusion of the last War, and in case of Refusal to march Forty Thousand Men directly to take Possession of Hanover.

The House being so near breaking up is said to be the Reason that a certain Gentleman did not apply for his Discharge, on making the usual Submission.

It is said that a certain patriotic Gentleman, who has, with a true patriotic Spirit, exerted himself in the Cause of Liberty, and who is possessed of a very considerable Estate in the County of Middlesex, in, and about Tottenham, has resolved to sell it, giving, as a Reason, "That he cannot think of holding an Estate in any County, where *his Voice*, as a *Freeholder*, in the *Choice of a Representative is set at nought*."

It was the Whisper of Yesterday Morning, amongst some political Connoisseurs, at the West-End of the Town, that in Consequence of some spirited Negotiations, lately dispatched to a certain Northern Court, that Monarch has absolutely marched no less a Body than 30,000 Men into a certain Electorate.

Some Letters from Paris mention, that the Court had just received private Intimations concerning the true Intent and Destination of the great Naval Armaments at present fitting out in Denmark, which have given them some Disgust.

It is rumoured that the Miscarriage and Illness of a very great and most amiable Personage, was occasioned by a Fright, at the Time of certain tumultuous Proceedings.

On Friday, when his Majesty was returning from the House, as soon as the State Coach came from under the Horse-Guards, it was surrounded by a very great Mob, who ran up to St. James's, by each Side of it, and, among some other high Indignities shewn by them, exclaimed, in his Hearing, "Wilkes for ever! No Luttrell!" and continued doing so, 'til his Majesty got out at the Palace.

When the House of Commons took under Consideration the Election for the County of Middlesex, George Onslow, Esq; moved, that the Sheriffs ought to have returned H. L. Luttrell, Esq; and not John Wilkes, Esq; which Motion was seconded by Sir A. Gilmour, Lord Clare, Cha. Jenkinson, Attorney-General, Sir Fletcher Norton, S. Fox, Lord North, J. Dyson, Couns. Thurlow, Col. Onslow, Hans Stanley.

They were opposed by Ald. Beckford, Col. Barre, T. Townshend, C. W. Cornwall, Serjeant Glynn, John Aubrey, Ja. Townsend, E. Burke, Esq; G. Grenville, Esq; Sir W. Meridith, Sir George Saville, Const. Phipps, Esq; Sir Joseph Mawbey, John Sawbridge, Esq; W. Dowdeswell, Esq;

April 29. It is said that a great Personage has declared that unless a certain Petition, now depending, is signed by a Majority of the whole Freeholders, that it will not be regarded, as it cannot be said to be the Voice of the County.

We are told that it is an invariable Principle of the present Administration, to meddle with no Connexions on the Continent, as the Blood and Treasures of Great-Britain, have been long prodigally lavished in fighting the Battles of others.

Patents are said to be making out for Nine new Peerages, Five on the other Side the Water, and Four in England.

BOSTON, *June* 8.

By Capt. Hall we hear that there were very great Commotions all over England; in London it is ſaid that no leſs than 110,000 were aſſembled at one Time on Account of Mr. Wilkes's Place being aſſumed by Col. Luttrell: The whole County of Middleſex are about preſenting a Petition to his Majeſty, in which our Americans are particularly noticed. It is ſaid much depends upon the Succeſs of this Petition.

We hear that Orders have been received by the Packet for the 64th and 65th Regiments, with the Train of Artillery, to be removed from this Place to Halifax, and that they are to embark in about Ten Days.—'Tis alſo ſaid that the 14th Regiment is ſoon to go to New-York, and that the 29th will be ſtationed at the Caſtle.

The Public may be aſſured that the following Intelligence comes from Gentlemen of Diſtinction (our Friends) on the other Side the Water, by the laſt Veſſels from London, viz.

THEY write, That the Parliament remain fix'd in their Reſolution not to repeal the Duty Acts this Seſſion, and will riſe the Firſt of May.

We learn from the beſt Authority, that Orders were iſſued from Lord Hillſborough's Office, on or about the 10th of April, to Governor Bernard, directing him immediately to repair to London.

ANNAPOLIS, *June* 29.

Several of the Counties having before entered into Reſolutions of Non-Importation of Britiſh *Superfluities, and the Province, in general, being invited by the People of* Anne-Arundel *County, to requeſt ſome Gentlemen from each County, to meet at this Place, on the 20th Inſtant, in order that a general Reſolution of Non-Importation might be formed——There was accordingly a very full Meeting, at which, the following* RESOLUTIONS *were entered into; and it was agreed, that Twelve Copies ſhou'd be printed and tranſmitted to each County, to be ſigned by the People, which, it is expected, will be done with great Readineſs throughout the Province.*

WE, the Subſcribers, his Majeſty's loyal and dutiful Subjects, the Merchants, Traders, Freeholders, Mechanics, and other Inhabitants of the Province of *Maryland*, ſeriouſly conſidering the preſent State and Condition of the Province, and being ſenſible, that there is a Neceſſity to agree upon ſuch Meaſures, as may tend to diſcourage, and as much as may be, prevent the Uſe of foreign Luxuries and Superfluities, in the Conſumption of which, we have heretofore too much indulged ourſelves, to the great Detriment of our private Fortunes, and, in ſome Inſtances, to the Ruin of Families; and, to this End, to practice ourſelves, and as much as poſſible, to promote, countenance, and encourage in others, a Habit of Temperance, Frugality, Oeconomy, and Induſtry; and conſidering alſo, that Meaſures of this Nature are more particularly neceſſary at this Time, as the Parliament of *Great-Britain*, by impoſing Taxes upon many Articles imported hither from thence, and from other Parts beyond Sea, has left it leſs in our Power, than in Time paſt, to purchaſe and pay for the Manufactures of the Mother-Country; which Taxes, eſpecially thoſe impoſed by a late Act of Parliament, laying Duties on Tea, Paper, Glaſs, &c. we are clearly convinced have been impoſed contrary to the Spirit of our Conſtitution, and have a direct and manifeſt Tendency to deprive us, in the End, of all political Freedom, and reduce us to a State of Dependence, inconſiſtent with that Liberty we have rightfully enjoyed under the Government of his preſent moſt Sacred Majeſty, (to whom we owe, acknowledge, and will always joyfully pay all due Obedience and Allegiance) and of his royal Predeceſſors, ever ſince the firſt Settlement of the Province, until of very late Time; have thought it neceſſary to unite, as nearly as our Circumſtances will admit, with our Siſter Colonies, in Reſolutions for the Purpoſe aforeſaid; and therefore, do hereby agree, and bind ourſelves to, and with each other, by all the Ties and Obligations of Honour and Reputation, that we will ſtrictly and faithfully obſerve, and conform to the following Reſolutions:

SECONDLY, That we will not hereafter, directly or indirectly, during the Continuance of the aforeſaid Act of Parliament, import, or cauſe to be imported, from *Great-Britain*, or any other Part of *Europe*, (except ſuch Articles of the Produce, or Manufacture of *Ireland*, as may be immediately and legally brought from thence, and alſo, except all ſuch Goods as Orders have been already ſent for) any of the Goods herein after enumerated, *to wit*, Horſes, Spirits, Wine, Cyder, Perry, Beer, Ale, Malt, Barley, Peaſe, Beef, Pork, Fiſh, Butter, Cheeſe, Tallow, Candles, Oil, *except Salad-Oil*, Fruit, Pickles, Confectionary, *Britiſh* refined Sugar, Muſtard, Coffee, Pewter, Tin-Ware of all Kinds, whether plain or painted, Waiters, and all Kind of Japan-Ware, wrought Copper, wrought and caſt Braſs, and Bell-Metal, Watches, Clocks, Plate, and all other Gold and Silverſmiths Work, Trinkets, and Jewellery of all Kinds, Gold and Silver Lace, Joiners and Cabinet Work of all Sorts, Looking-Glaſſes, Upholſtery of all Kinds, Carriages of all Kinds, Ribbons and Millinery of all Kinds, *except Wig-Ribbon*, Lace, Cambrick, Lawn, Muſlin, Kenting, Gauze of all Kinds, *except Boulting-Clothes*, Silks of all Kinds, *except raw and ſewing Silk, and Wig-Cauls*, Velvets, Chintzes, and Calicoes of all Sorts, of more than Twenty Pence *per* Yard, *Eaſt-India* Goods of every Kind, *except Saltpetre, Black Pepper, and Spices*, printed Linens, and printed Cottons, ſtriped Linens, and Cottons, Check Linens, and Cotton Checks of all Kinds, Handkerchiefs of all Kinds, at more than Ten Shillings *per* Dozen, Cotton Velvets, and all Kind of Cotton, or Cotton and Linen Stuffs, Bed-Bunts, and Bed-Ticking of all Sorts, Cotton Counterpanes and Coverlids, *Britiſh* manufactured Linens of all Kinds, *except Sail-Cloth*, *Iriſh* and all foreign Linens, above One Shilling and Six Pence *per* Yard, Woollen Cloth, above Five Quarters wide, of more than Five Shillings *per* Yard, narrow Clothes of all Sorts, of more than Three Shillings *per* Yard, Worſted Stuffs of all Sorts, above Thirteen Pence *per* Yard, Silk and Worſted, Silk and Cotton, Silk and Hair, and Hair and Worſted Stuffs of all Kinds, Worſted and Hair Shags, Mourning of all and every Kind, Stockings, Caps, Waiſtcoat and Breeches Patterns of all Kinds, Rugs of all Sorts, above Eight Shillings, Blankets, above Five Shillings *per* Blanket, Mens and Womens ready made Cloaths, and wearing Apparel of all Kinds, Hats of all Kinds, of more than Two Shillings *per* Hat, Wigs, Gloves, and Mits of all Kinds, Stays and Bodices of all Sorts, Boots, Saddles, and all Manufactures of Leather and Skins of all Kinds, *except Mens and Womens Shoes, of not more than Four Shillings* per *Pair*, Whips, Bruſhes, and Brooms of all Sorts, Gilt, and Hair Trunks, Paintings, Carpets of all Sorts, Snuff-Boxes, Snuff, and other manufactured Tobacco, Soap, Starch, playing Cards, Dice, *Engliſh* China, *Engliſh* Ware, in Imitation of China, Delph, and Stone Ware of all Sorts, *except Milk-Pans, Stone Bottles, Jugs, Pitchers, and Chamber-Pots*, Marble and wrought Stone of any Kind, *except Scythe-Stones, Mill-Stones, and Grind-Stones*, Iron Caſtings, Ironmongery of all Sorts, *except Nails, Hoes, Steel, Handicraft and Manufacturers Tools, Locks, Frying-Pans, Scythes and Sickles*, Cutlery of all Sorts, *except Knives and Forks, not exceeding Three Shillings* per *Dozen, Knives, Sciſſors, Sheep-Shears, Needles, Pins and Thimbles, Razors, Chirurgical Inſtruments, and Spectacles*, Cordage, or tarr'd Rope of all Sorts, Seans, Ships Colours ready made, Ivory, Horn, and Bone Ware of all Sorts, *except Combs*.

FOURTHLY, That we will not kill, or ſuffer to be killed, or ſell, or diſpoſe to any Perſon, whom we have Reaſon to believe intends to kill, any Ewe Lamb that ſhall be yeaned before the Firſt Day of *May* in any Year, during the Time aforeſaid.

FIFTHLY, That we will not, directly, or indirectly, during the Time aforeſaid, purchaſe, take up, or receive, on any Terms, or Conditions whatever, any of the Goods enumerated in the Second Reſolution, that ſhall, or may be imported into this Province, contrary to the Intent and Deſign of theſe Reſolutions, by any Perſon whatever, or conſigned to any Factor, Agent, Manager, or Storekeeper here, by any Perſon reſiding in *Great-Britain*, or elſewhere; and if any ſuch Goods ſhall be imported, we will not, upon any Conſideration whatever, rent, or ſell to, or permit any Way to be made Uſe of by any ſuch Importer, his Agent, Factor, Manager, or Storekeeper, or any Perſon, on his, or their Behalf, any Store-Houſe, or other Houſe, or any Kind of Place whatever, belonging to us, reſpectively, for expoſing to Sale, or even ſecuring any ſuch Goods, nor will we ſuffer any ſuch to be put on Shore on our reſpective Properties.

SIXTHLY, That if any Perſon ſhall import, or endeavour to import, from *Great-Britain*, or any Part of *Europe*, any Goods whatever, contrary to the Spirit and Deſign of the foregoing Reſolutions, or ſhall ſell any Goods which he has now, or may hereafter have on Hand, or may import, on any other Terms than are herein expreſſed, we will not, at any Time hereafter, deal with any ſuch Perſon, his Agent, Manager, Factor, or Storekeeper, for any Commodity whatever; and that ſuch of us, as are, or may be Sellers of Goods, will not take any Advantage of the Scarcity of Goods that this Agreement may Occaſion, but will ſell ſuch as we have now on Hand, or may hereafter import, or have for Sale, at the reſpective uſual and accuſtomed Rates for Three Years laſt paſt.

SEVENTHLY, That we will not, during the Time aforeſaid, import into this Province, any of the Goods above enumerated for Non-importation, in the Second Reſolution, which have been, or ſhall be imported from *Great-Britain*, or ſome Part of *Europe*, from any Colony, or Province, which hath not entered, or ſhall not, within Two Months from the Date hereof, enter into Reſolutions of Non-importation, nor will we purchaſe, take up, or receive, on any Terms, or Conditions whatever, any ſuch Goods, from any Perſon, or Perſons, that may import the ſame; nor will we purchaſe, take up, or receive, on any Terms, or Conditions, any of the ſaid Goods, which may be imported from any Province, or Colony, which has entered, or may enter into ſuch Reſolutions, unleſs a Certificate ſhall accompany ſuch Goods, under the Hands of a Committee of Merchants (if any) of the Place from whence ſuch Goods ſhall come, or if no ſuch Committee, then under the Hands of at leaſt Three of the principal Merchants there, who have entered into Reſolutions of Non-importation, that ſuch Goods were imported before ſuch Reſolution was entered into in ſuch Place. By WILLIAM GODDARD.

(*To be embellished with* Copper Plates, *which, if sold separate, could not be afforded for the Price of a Year's* CHRONICLE.)

THE Printer of the PENNSYLVANIA CHRONICLE, &c. having instituted his Paper with a View of serving the Public, (as well as to obtain for himself such moderate Subsistence as one of his Professionh as a Right to expect) is very desirous to extend its Utility—and as a Proof of his Sincerity, he proposes now to make some considerable Improvements; which he hopes will merit the Attention and Encouragement of the Public. —To this End he has greatly enlarged his Correspondence in *Europe*, and to the numerous Daily and Weekly News-Papers, has ordered an additional constant Supply of the best Political Pamphlets, Register, Reviews, and every other temporary Production that may enable him to prosecute his Design with Credit to himself and Satisfaction to his Subscribers.—Several Gentlemen of great Learning and Ingenuity, in this and the neighbouring Provinces, have promised to lend their Assistance, so that there may not be wanting some original Productions, which may exhibit agreeable Specimens of *American* Humour and Genius.—The Paper will thus become not only a Register of the best Intelligence (in which *no* Article, Foreign or Domestic, worthy the *Public Notice*, will be omitted) but a Repository of ingenious and valuable Literature, in prose and Verse;—and to incite Persons to preserve their Papers, which will grow into a Family Library of Entertainment and Instruction, he intends printing them in a very handsome Quarto, on a good fair Paper, with a new and beautiful Elzevir Type, to be embellished annually with Two elegant Copper Plates, (which are already contracted for) to be executed by the most ingenious Artists; one to serve for a Frontispiece, and the other to close the Volume. A neat Title, and a copious and a useful Index will likewise be added.

The extraordinary Expences that the Printer must necessarily incur, by providing these Improvements, will require further Encouragement, and induce him, whilst he is returning Thanks to his present generous Subscribers, to solicit the Favour of *others*, as every one must be sensible from so small a Price as Ten Shillings a Year, and the constant and incidental Expence of a Press, how small a Profit will remain to the Printer. Nor can the Advance of Five Shillings, for the First Half Year, which he requests from *every* Subscriber, both *new* and *old*, be looked upon as unseasonable, on the present improved and expensive Plan, which will require an immediate Supply.

The constant Attention the Printer has always shewn to gratify the Public, the open and impartial Manner in which he has managed his Press, unbiased by Party, the free Access every Man has to it in private Disputes, without Prejudice or Affection to either Side, may, he hopes, entitle him to some Degree of Merit in his Business, and consequently to those Favours of the Public, which he will be always equally ready to *acknowledge* and studious to *deserve*.

Subscriptions are taken in by the Printer, at his Office in *Market-Street*, and by many Gentlemen in different Parts of *America*, (particularly by most of the Postmasters, Booksellers, and Printers) in whose Hands Subscription Papers will be left; and the Printer would be much obliged to any of his old Friends and Customers for their good Offices towards the future Success of his Undertaking.

N. B. The greatest Attention will be paid to the regular Dispatch and Delivery of the Papers in Town and Country.

As he has often talked about *St. Mary's* County, perhaps he may have gone that Way.

Whoever secures the said Servant, so that he may have him again, shall receive Fifty Shillings; and, if brought home, reasonable Charges, paid by
